

# KALRAY ACTIVITY 2023

Investor Presentation – January 2024

Intelligent Data processing, from Cloud to Edge

www.kalrayinc.com

# **IMPORTANT NOTICE**

The information in this document has been prepared by Kalray (the "Company") for information purposes only and is furnished to you by the Company solely for your information and is the sole responsibility of the Company.

This presentation does not constitute, and is not a part of, an offer or a solicitation to purchase or subscribe for the Company's securities in any jurisdiction whatsoever. This document, or any part thereof, shall not form the basis of, or be relied on in connection with, any contract, commitment or investment decision.

The information contained in this document does not purport to be complete and is qualified by reference in its entirety to the information the Company is required and does make public under the rules and regulations of the Autorité des marchés financiers. Any decision to invest in any securities of the Company should be made on the basis of a thorough examination of such information, which is the sole responsibility of the Company, and an independent investigation of the Company itself and not on the basis of this presentation. Neither this presentation nor any of such information has been independently verified by any other person unless expressly stated therein. No reliance may be placed for any purposes whatsoever on the information contained in this presentation or on its accuracy or completeness. The information and opinions expressed in this presentation are provided only at the date hereof and may be updated, supplemented, revised, verified or amended. The information herein may be subject to significant changes. The Company is under no obligation to update the information contained herein and any opinion expressed in this document is subject to change without prior notice.

Neither the Company nor any of its officers, employees, advisers, or agents makes any representation or warranty, express or implied, as to any matter or as to the truth, accuracy, or completeness of any statement made in this presentation, made in conjunction therewith or in any accompanying materials or made at any time, orally or otherwise, in connection with the matters referred to herein, nor accept any responsibility or liability whatsoever, for any loss arising from any use of this document or its contents or otherwise arising in connection with this document.

This presentation and its contents are confidential and may not be reproduced, redistributed or passed on, directly or indirectly, to any other person or published, in whole or in part, for any purpose. Neither this presentation nor any copy of it may be taken, transmitted or distributed in or into the United -States, Australia, Canada or Japan. The distribution of this presentation in some jurisdictions may be restricted by law and persons into whose possession this presentation comes should inform themselves about, and observe, any such restrictions. None of the Company's securities has been, nor will they be, registered under the US Securities Act of 1933 and the Company's securities may not be offered or sold in the United States except pursuant to an applicable exemption from registration.

This document contains information regarding the markets in which the Company does business as well as the Company's competitive position in such markets. This information is extracted from various sources or from estimates provided by the Company. They are not to be relied on in making any investment decision.

This document contains forward-looking statements. These forward-looking statements relate to the Company's future prospects, developments and strategy and are based on analyses of earnings forecasts and estimates of amounts not yet determinable. By definition, forward-looking statements are subject to a variety of risks and uncertainties as they relate to future events and are dependent on circumstances that may or may not materialize in the future. Forward-looking statements are not a guarantee of the Company's future performance. The Company's actual financial position, results and cash flows, as well as the trends in the sector in which the Company operates may differ materially from those contained in this presentation. Furthermore, even if the Company's financial position, results, cash flows and trends in the sector in which the Company operates conform to those anticipated in the forward-looking statements contained in this presentation, such elements cannot be construed as a reliable indication of the Company's future results or developments. The Company does not undertake any obligation to update or to confirm projections or estimates or to make public any correction to any forward-looking statement in order to reflect an event or circumstance that may occur after the date of this presentation.

Certain figures and numbers appearing in this document have been rounded. Consequently, the total amounts and percentages are not necessarily equal to the sum of the individually rounded figures, amounts or percentages.

By attending the presentation to which this document relates or by accepting a copy of this document you agree to be bound by the foregoing limitations.

# MORE ABOUT THIS CONTRACT

### **Customer Profile**

- Over 100B\$ valuation
- Several tens B\$ revenue in 2021

### **Customer Needs**

- Highly efficient data processing solution for next generation systems
- Key KPIs:
  - Performance / \$
  - Signal Processing and AI capabilities

### Solution

 Kalray acceleration cards with 4 Coolidge chips

### **Potential deal Size**

- Expected volume : several thousand cards / year
- Life of the project minimum : volume production from 2025 for 5 years minimum

# Kalray 3x to 5x

more efficient in performance / \$ and performance / consumption vs main competitor

100M€+
Total deal Size

# MAJOR STEP REACHED IN « JUMBO CONTRACT »

Move forward to phase 2 for preseries

- Deep technical evaluation (18 months work)
- Contract Terms negotiation

- Technical, commercial and financial terms signed
- €1m Purchase Order for 2023
- Kalray has developed a multi-MPPA® new card prototype
- Customer qualification
- Decision point for Pre-Series Production once card available

First order for >\$1 million for preseries received late 2023

- Pre-Series Production
- A few 100x of cards
- Volume Production
- Several thousand cards/year

# "JUMBO CONTRACT" QUALIFICATION COMPLETED

Move to PreSeries

First Command of Hundred of Cards Received
