

OL GROUPE

PRESS RELEASE

**CREATION OF A PROPERTY COMPANY
FOR THE OL LAND PROJECT**

Lyon, 15 June 2007

This press release is intended to inform investors of developments in the OL Land project, as defined on page 29 of the registration document ("document de base") submitted to the Autorité des Marchés Financiers on 9 January 2007 and assigned number I.07-002.

As indicated in our press release of 24 April 2007, the Board of Directors of Olympique Lyonnais Groupe has confirmed that the OL Land project will be based in Decines. Concerning construction and development of the site, the Board of Directors decided on 11 June 2007, based on a proposal from the Investment Committee, to create a subsidiary, wholly-owned by Olympique Lyonnais Groupe, whose purpose will be to acquire, combine, develop and sell properties as well as to operate athletic facilities. In addition, this subsidiary will be partly devoted to the new stadium. The Board of Directors has affirmed that these plans change neither the project nor the rights of Olympique Lyonnais Groupe's shareholders with regard to the project, as described in the registration document.
