**The APICIL Group renews
its partnership with Olympique Lyonnais
and remains visible on the OL jersey**

Lyon, 4 February 2008

A partner of Olympique Lyonnais since the 2004-05 season, the APICIL Group, one of France's leading complementary health insurance and pension companies and number one in the Rhône-Alpes region, has decided to extend its partnership with OL for two more seasons (2008-10) with an option for third.

The deal strengthens a partnership based on the strong values common to these two leading Lyon companies: entrepreneurial strategy, team spirit, conscientious management, an open, engaging corporate culture and a common geographical identity.

As part of its policy of community sponsorship, Olympique Lyonnais continues to develop, alongside the APICIL Group, a series of initiatives that use sports as a springboard for integrating people with disabilities.
