

**THEOLIA**

**Press release**

Aix en Provence, May 20, 2009

## **Reaction to an article published on the internet on May 18, 2009**

THEOLIA's management has taken notice of an article published on Monday May 18, 2009 on the internet site: [www.econostrum.info](http://www.econostrum.info), in which Jean-Marie Santander makes reference to the non-competition clause, signed in the context of his departure from THEOLIA.

Given the confidential nature of this clause, THEOLIA is not in a position to disclose its content, but notes that the scope of the clause as described in the article is inexact.

Once again, THEOLIA can only regret, as it already had in its press release of January 28, 2009, that the obligation of discretion and confidentiality imposed by the rules of procedures of the Company's Board of Directors has not been respected in this new article.

THEOLIA's management is taking every measure necessary to ensure the protection of the Company's interests.
