About Altamir

Altamir is a listed private equity company with approximately €500 million in assets under management. The objective of Altamir is to grow its net asset value per share (NAV), and to outperform the most relevant indices (CAC Mid & Small, and LPX Europe).

Altamir invests through the funds managed by Apax Partners France, a leading private equity firm in French-speaking Europe, and through Apax Partners LLP, one of the world's leading private equity investment groups. The portfolio is also diversified by size and geography: mid-sized companies in French-speaking European countries; and larger companies across Europe, North America and key emerging markets (China, India, Brazil).

Altamir is listed, since its inception in 1995, on the NYSE Euronext Paris exchange, Compartment B, ticker: LTA, ISIN code: FR0000053837.
