### ABOUT MND GROUP

The MND Group has been based at Sainte Hélène du Lac (Savoie), in the very heart of the French Alps, since 2004. MND is one of the few market players to have a global range of products and services dedicated to the development, equipping and protection of ski resorts, leisure areas and other mountain infrastructure.

Buoyed by its industrial expertise in the mountain cable transport market and by innovative technology protected by worldwide patents, the MND Group has strong growth potential in the urban cable public transport field, where it offers an unobtrusive alternative mode of urban transport.

With four manufacturing plants in Europe (France, Germany and Sweden), eight distribution subsidiaries and 50 distributors worldwide, the MND Group has 264 employees and almost 3,000 customers in 49 countries.
