PRESS RELEASE

About AKKA

"The best way to predict the future is to invent it. Let's share our passion for technology."

Founded in 1984, AKKA today ranks as the European leader in engineering consulting and R&D services in the field of mobility. With 16,300 talented employees working in more than 20 countries, the Group recorded revenue of €1.3 billion in 2017.

A partner in innovation, AKKA boasts a prestigious customer portfolio featuring leading companies in the automotive, aerospace and rail sectors, as well as in the life sciences, services, telecommunications and defence. The list includes Airbus Group, Alstom, BMW, Daimler, GE, GlaxoSmithKline, Renault, Safran, Thales, Volkswagen and Volvo.

AKKA provides technological solutions to these major groups, enabling them to improve their innovation processes, their added value, their productivity and their efficiency when designing new products or processes, right through to the industrial production phase. Its unique geographical positioning around its Franco-German axis, its capacity to deliver cross-sector and transnational solutions and its in-depth expertise in the technologies of the future (AI, ADAS, IoT, Big Data, robotics, embedded computing, machine learning, etc.) allow it to assist its customers in their two key challenges, namely globalisation and digitisation. Digital technologies and the technologies of the future today represent 15% of AKKA's revenue.

AKKA is listed on Euronext Paris – Segment B – ISIN code: FR0004180537.
