SoluCom is Awarded the “Small Caps” Prize at the First Midcaps Trophies

The SoluCom Group was awarded the best “Small Caps” Prize during the first Midcaps Trophies organized by Euronext, Oddo Midcaps and Middledenext on Tuesday, November 15th.

The prize rewards the Group’s economic achievements for 2002-2004, which were assessed in terms of revenue growth, EBIT growth, and change in the profitability of invested capital.

“We are delighted that we received that prize, the fruit of the flawless commitment of our Group’s teams during a period that was not particularly thriving for our industry,” states Pascal Imbert, CEO of SoluCom. *“This trophy is an additional drive for us to achieve our expansion goals in order to remain among the most performing companies over the coming years.”*

SoluCom will publish its Half-Year results 2005/06 and its future outlook on December 13, 2005, after market closure.
