In the first nine months of 2019, **Prodways Group's consolidated revenue** amounted to €51.3 million, a sharp increase of 23.6 % compared to the first nine months of 2018. Revenue growth remained strong in third quarter 2019, up 14.7 % to €16 million, against €13.9 million in third quarter 2018. This largely organic growth (+9.1 %) is strengthened by a favorable scope effect due to the consolidation of Surdifuse-L'Embout Français since January 2019.

## Enter into the 4<sup>th</sup> Industrial Revolution

During third quarter 2019, the **Systems** division – comprising 3D software, 3D printers and related materials and services – generated revenue of €10 million, an increase of 12.3 % compared to third quarter 2018 remaining buoyant across all businesses.

The **Products** division – comprising medical applications and the design and manufacture of parts on demand – recorded revenue of €6.1 million in third quarter 2019, up 18.7 % (4.2 % at comparable scope, excluding Surdifuse-L'Embout Français). The division is benefiting from the remarkable performance of on demand parts production. The contribution of €0.8 million from the audiologist Surdifuse-L'Embout Français, acquired in first quarter 2019, provided a further boost to the division.

### 2019 Outlook

Prodways Group has been working for several years on 3D printing industrialization projects in various sectors of activity. These projects use a large number of machines dedicated to production applications consuming several tonnes of material.

The Group is seeing a positive trend in some markets and significant progress has been made on several projects in recent months. The Group expects a first order intake of this type in the next six months.
