Experience the start of the Diaz brothers' life changing journey across America now.

The five stunning Episodes of this BAFTA award-nominated adventure tell the story of two brothers, 16-year old Sean and 9-year old Daniel Diaz, who have to flee their home in suburban Seattle after a tragic event that changes their lives forever. Further complicating matters is the manifestation of an exciting new telekinetic power that has far-reaching implications for Sean and Daniel and puts pressure on the relationship between them. Life will never be the same again.

As Daniel's power grows, it is up to Sean to decide the rules by which they live. Daniel watches his older brother closely, and makes his own decisions based on what he learns. Just like Daniel, the demo will remember all of your choices, so when you purchase the full game, you can carry on playing from where you left off.

*"Life is Strange 2 is a narrative experience we are extremely proud of. We love Sean and Daniel, our new protagonists, and the socially relevant story of prejudice, loss, brotherhood and hope that this game brings to life"* said Jon Brooke, Co-Head of Studio at Square Enix External Studios. *"We're excited for everyone to have the opportunity to try it for themselves."*

*"We are very pleased to share this new season of Life is Strange which illustrates a beautiful fraternal and educational relationship with Japanese players,"* said Oskar Guilbert, President and CEO of DONTNOD Entertainment. *"We hope that our fans will be happy to live this new adventure and will adopt our two heroes with the same passion as that shown by players from other countries."*

Play the free demo now on PlayStation 4, Xbox One, and PC. The Complete Season of *Life is Strange 2* is available now in boxed and digital editions on PC/Steam, PlayStation 4, and the Xbox One family of devices.
