

Aerkomm Announces Registration Statement for Public Offering of Common Stock

FREMONT, Calif., July 30, 2020 -- Aerkomm Inc. ("Aerkomm" or "the Company") (Euronext Paris: AKOM; OTCQX: AKOM), a development stage service provider of In-Flight Entertainment and Connectivity solutions for the airline industry using Ka-band technology, today announced that it has filed an S-1/A registration statement amendment with the Securities and Exchange Commission (the "SEC") relating to a proposed offering of up to Euro 40 million in new shares of its common stock. The price for the shares of common stock to be offered is expected to be between €33.60 and €42.00 per share.

The Company plans to use the proceeds from this offering for general corporate purposes, including working capital, product development, marketing activities, expending its internal organization and other capital expenditures including the building of the Company's first ground station and data center in the Asia region.

The offering will be made only by means of a prospectus filed with the SEC. A copy of the preliminary prospectus relating to the offering is available, for free, on the SEC's website at <http://sec.gov>. A copy also may be obtained from the Company. A registration statement relating to these securities has been filed with the SEC, but has not yet become effective. These securities may not be sold nor may offers to buy be accepted prior to the time the registration statement becomes effective. This press release shall not constitute an offer to sell or a solicitation of an offer to buy nor shall there be any offer or sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of such state or jurisdiction.

About Aerkomm Inc.

Aerkomm Inc. (Euronext Paris: AKOM; OTCQX: AKOM), operating through its wholly owned subsidiary, Aircom Pacific, Inc., is a development stage service provider of in-flight entertainment and connectivity solutions for the airline industry. The Company strives to become a leading provider of a wide range of in-flight broadband entertainment and connectivity services, including Wi-Fi connectivity, cellular networks, movies, gaming, live television, and music. Aerkomm aims to reshape the market for in-flight entertainment and connectivity services by offering on-board connectivity to its airline partners and passengers for free, generating revenue through advertising and on-board transactions.
