

Altamir to invest in Odigo via the Apax France X fund

Paris, 23 September 2020 – Apax Partners SAS has entered into exclusive negotiations with Cap Gemini in view of acquiring **Odigo**, a leader in Contact-Center-as-a-Service (CCaaS) solutions principally for large companies.

Founded in 1986, **Odigo** is an omni-channel cloud platform that supports companies in the management of their customer interaction. The company offers cutting-edge technologies that improve both customer satisfaction and the employee experience in such a way as to stimulate growth in the sales of **Odigo**'s customers.

With around 650 employees, **Odigo** accompanies more than 400,000 users and more than 200 customers in nearly 100 countries.

With Apax Partners as a new investor, **Odigo** would aim to accelerate its growth and international expansion, notably on the back of its plans for technological innovation.
