to ordinary and extraordinary maintenance of buildings and apartment complexes, hotels and historical monuments. In fact, the technique developed by EdiliziAcrobatica ensures numerous benefits both in terms of accessibility for apartment complex residents and hotel guests and safety for tenants and access to monuments that always remain accessible even during restoration and maintenance works.

Listed on the AIM Italia stock exchange since November 2018 and on the Euronext Growth market in Paris since February 2019, EdiliziAcrobatica closed 2020 – the year of the pandemic and the stoppage of construction sites – with €44.6 million in revenues, up about 14% compared to 2019. During the year the company also inaugurated a new business line dedicated to cleaning and disinfection and released EAcondominio, the first app in Italy for condominium administrators to facilitate the holding of remote tenant meetings.
