

**PRESS RELEASE**

**EDILIZIACROBATICA: JULY CLOSES STRONG, SALES SKYROCKET +348%  
AND CREATE NEW JOBS THROUGHOUT THE COUNTRY**

Genoa, 9 August 2021 – EdiliziAcrobatica S.p.A. closed the month of July 2021 with an exceptional result, an increase in services sold of **+348%**, equal to **€17,596 million**, compared to July 2020 when it stood at €3,929 million

The company's progressive growth is also evident when analysing the data from the first seven months of the year and comparing them with the same period of the previous year. Indeed, the value of the services sold, amounting to more than €72 million, is up 300% from €18 million in 2020.

Moreover, the parent company EdiliziAcrobatica S.p.A. reached a total of **935** employees in Italy at 31 July 2021 compared to **664** at 31 July 2020. Considering also the French subsidiary EdiliziAcrobatica France Sas and franchises, the Group reached a total workforce of 1,223.

EdiliziAcrobatica France also saw its value of production grow by 25%, from €1,727 million at 31 July 2020 to the current €2,020 million. Finally, on the employment front, human resources increased by 21 units to 71.

Riccardo Iovino, CEO & Founder of EdiliziAcrobatica, commented, "Once again we've closed a month with triple-digit growth, confirming the trend that distinguishes our business model and that allows us to look to the future with renewed determination as we strive towards increasingly challenging objectives".

**EdiliziAcrobatica SpA** is the leading company in Italy in the construction sector operating with double safety ropes. Founded in Genoa in 1994 by Riccardo Iovino, the company now has over 1,200 employees and 100 operating areas in Italy, France and Spain. The technique it employs allows working without scaffolding or aerial platforms, thus offering end customers a quality service and the elimination of scaffolding costs. The rope access that EdiliziAcrobatica is specialised in is particularly well suited to ordinary and extraordinary maintenance of buildings and apartment complexes, hotels and historical monuments. In fact, the technique developed by EdiliziAcrobatica ensures numerous benefits both in terms of accessibility for apartment complex residents and hotel guests and safety for tenants and access to monuments that always remain accessible even during restoration and maintenance works.

Listed on the AIM Italia stock exchange since November 2018 and on the Euronext Growth market in Paris since February 2019, EdiliziAcrobatica closed 2020 – the year of the pandemic and the stoppage of construction sites – with €44.6 million in revenues, up about 14% compared to 2019. During the year the company also inaugurated a new business line dedicated to cleaning and disinfection and released EAcondominio, the first app in Italy for condominium administrators to facilitate the holding of remote tenant meetings.
