Artmarket is a global player in the Art Market with, among other structures, its Artprice department, world leader in the accumulation, management and exploitation of historical and current art market information in databanks containing over 30 million indices and auction results, covering more than 770,000 artists.

Artprice by Artmarket, the world leader in information on the art market, has set itself the ambition through its Global Standardized Marketplace to be the world's leading Fine Art NFT platform.

Artprice Images® allows unlimited access to the largest Art Market image bank in the world: no less than 180 million digital images of photographs or engraved reproductions of artworks from 1700 to the present day, commented by our art historians.

Artmarket with its Artprice department accumulates data on a permanent basis from 6300 Auction Houses and produces key Art Market information for the main press and media agencies (7,200 publications). Its 5.4 million ('members log in'+social media) users have access to ads posted by other members, a network that today represents the leading Global Standardized Marketplace® to buy and sell artworks at a fixed or bid price (auctions regulated by paragraphs 2 and 3 of Article L 321.3 of France's Commercial Code).

Artmarket with its Artprice department, has been awarded the State label "Innovative Company" by the Public Investment Bank (BPI) (for the second time in November 2018 for a new period of 3 years) which is supporting the company in its project to consolidate its position as a global player in the market art.
