About macompta.fr

Founded in 2007 by a chartered accountant, macompta.fr has become a key platform for managing small businesses and associations. With its credo “management accessible to all”, this French software company focuses on developing simple, high-performance and affordable software and mobile applications. The company offers a complete range of tools for accounting, tax declarations, invoicing, payroll and expense reporting.

From the beginning, macompta.fr’s software has been adopted by over 100,000 users: companies, associations, chartered accountants and consulting professionals serving clients.

In evidence of its success, the platform is now recommended by major banking networks, chartered accountants, corporate management organizations, and national sports federations for associations.
