### **About CBo Territoria (FR0010193979, CBOT)**

CBo Territoria has been a major real estate operator in La Réunion for nearly 20 years and has evolved into a multi-regional property developer specializing in tertiary assets (€381.8 million assets in value at 30 June 2024). The Group is pursuing its expansion through the exploitation of its land reserves or through land acquisition, as it is involved in the full real estate value chain (property developer, property investor, and real estate company). CBo Territoria can finance its development through its activities as a residential developer (apartment buildings or sale of land plots) and, secondarily, as a service provider, as well as through the planned transfer of its residual residential properties to SHLMR.

CBo Territoria is a real estate investment firm listed on Euronext Paris (compartment "C") that is qualified for the PEA PME finance program (small and medium-sized enterprises).

Responsible and committed to a more sustainable real estate since its inception, CSR (Corporate Social Responsibility) is by nature in the company's DNA. Its commitment and actions are recognized by the Gaïa-Index, the French benchmark index of the most virtuous small and mid-cap companies in terms of CSR. Since its entry in 2016, CBo Territoria has remained at the top of its category. More information on [cboterritoria.com](http://cboterritoria.com)
