This new trailer features a closer look at the climbing gameplay, reconnecting with nature, uncovering the tower's past, and adapting to climb new and more challenging environments. See more of the game's beautiful biomes, the Ballast, and the different ways you can climb.

DON'T NOD CEO Oskar Guilbert enthuses, *"2023 has been a huge year for us at DON'T NOD so far, with the release of Harmony: The Fall of Reverie, our 15<sup>th</sup> anniversary, and now **Jusant's** highly anticipated release. We're very proud of all the teams involved and the hard work they've put in to get us here. We hope players fall in love with the climbing, the atmosphere, and the story of **Jusant**."*

### **Jusant at Paris Games Week**

DON'T NOD and **Jusant** will also be present at Paris Games Week this year, the biggest video game event in France, running from November 1<sup>st</sup> – 5<sup>th</sup>. Attendees can play **Jusant** at these three booths: Capital Games (Jeux Made in France), PGW Junior, and Xbox Microsoft.

### About Jusant

Enjoy meditative vibes in **Jusant**, an action-puzzle climbing game. Scale an immeasurably tall tower and ascend to new heights alongside your watery companion, the Ballast. Master your climbing tools, find your way up through diverse biomes, and piece together the tower's past. Challenge yourself at your own pace, explore different paths, and unravel the secrets from a bygone civilization.

**Jusant** is out now on [Steam](#) (with Nvidia DLSS 3 support upon release), [Xbox Series X|S](#) (including Xbox Game Pass), and [PlayStation 5](#). Nvidia DLSS 3 RTX technology boosts frame rates while maintaining great image quality and responsiveness. It is also supported by Nvidia GeForce Now.
