About Fermentalg

An expert in the research and bioindustrial exploitation of microalgae, Fermentalg aims to offer sustainable solutions and innovative products that contribute to the development of healthy, natural and high-performance products. Our business: the development, production and marketing of sustainable solutions and active ingredients derived from microalgae, for nutrition, health and the environment. Nutritional lipids, alternative proteins, natural food colorings and innovative environmental solutions make up our company's current and future offering. Fermentalg shares are listed on Euronext Growth Paris (FR0011271600 - ALGAE) and are PEA-PME eligible. It has received an *Exemplary* rating (90/100) from EthiFinance ESG Ratings, a rating agency specializing in the ESG performance of SMEs listed on European markets, in favor of Socially Responsible Investment (SRI).
