

## **SIGNIFICANT PROGRESS ON THE ASSET DISPOSAL OF THE "DATA ACCELERATION PLATFORM" ACTIVITY POSTPONEMENT OF THE 2024 REVENUE RELEASE**

Grenoble, January 29<sup>th</sup>, 2025

Kalray (Euronext Growth Paris: ALKAL) announces that discussions regarding the asset disposal of its "*Data Acceleration Platform*" activity<sup>1</sup> are progressing well and a signing could occur in the coming days. Considering this transaction, and to provide the market with a clearer and updated view of the Company, Kalray has decided to postpone for few days the publication of its 2024 annual revenue, initially scheduled for January 30, 2025, after market close.

### **ABOUT KALRAY**

Kalray is a leading provider of hardware and software technologies and solutions for high-performance, data-centric computing markets, from cloud to edge.

Kalray provides a full range of products to enable smarter, more efficient, and energy-wise data-intensive applications and infrastructures. Its offers include its unique patented DPU (Data Processing Unit) processors and acceleration cards as well as its leading-edge software-defined storage and data management offers. Separated or in combination, Kalray's high-performance solutions allow its customers to improve the efficiency of data centers or design the best solutions in fast-growing sectors such as AI, Media & Entertainment, Life Sciences, Scientific Research, Edge Computing, Automotive and others.

Founded in 2008 as a spin-off of the well-known French CEA research lab, with corporate and financial investors such as Alliance Venture (Renault-Nissan-Mitsubishi), NXP Semiconductors or Bpifrance, Kalray is dedicated through technology, expertise, and passion to offer more: more for a smart world, more for the planet, more for customers and developers.
