## **About macompta.fr**

*Founded in 2007 by a chartered accountant, macompta.fr has become a key platform for managing small businesses and associations. With its credo “management accessible to all”, this French software company focuses on developing simple, high-performance and affordable software and mobile applications. The company offers a complete range of tools for accounting, tax declarations, invoicing, payroll and expense reporting.*

*From the beginning, macompta.fr’s software has been adopted by over 100,000 users: companies, associations, chartered accountants and consulting professionals serving clients.*

*In evidence of its success, the platform is now recommended by major banking networks, chartered accountants, corporate management organizations, and national sports federations for associations, such as ASPTT and UNASS.*
