Release of 2024 annual results postponed

Chartres, 29 April 2025

OSMOSUN Group has decided to postpone the release of its annual results, scheduled for April 30, 2025, to May 6, 2025, after market close.

As announced in the press release dated March 20, 2025, the Group estimates its cash flow horizon extends to July 2025. The company is exploring all possible solutions to extend this horizon.

ABOUT OSMOSUN®

Founded in 2014, OSMOSUN®'s ambition is to become a leading player in the low-carbon water market in order to make drinking water accessible to all.

OSMOSUN® has developed a unique, patented, cost-effective, clean and sustainable solution for solar-powered battery-free seawater and brackish water desalination. This innovation makes OSMOSUN® units among the most energy-efficient and cost-effective solutions in the world. The water production capacities of its units range from 1 m³ to 50,000 m³ per day.

At 31 December 2024, 78 desalination units have been sold in 27 countries.
