### About Tronics Microsystems

Tronic’s Microsystems SA is a division of TDK’s Sensors Systems Business Company that manufactures MEMS inertial sensors that contribute to the advancement and digital transformation of industrial, energy, railway, marine and aerospace markets. The company is today the only supplier of both MEMS accelerometers and gyros components with a closed loop architecture and a digital SMD interface. The company also offers differentiated foundry services for custom inertial MEMS devices. Founded in 1997, Tronics operates an IATF 16949-certified MEMS clean room and an assembly, packaging and test facility in Crolles, near Grenoble (France). Following a tender offer ending January 2017, TDK Electronics AG (formerly EPCOS AG) now holds 87 percent of Tronics’ shares.

### About TDK Corporation

TDK Corporation is a world leader in electronic solutions for the smart society based in Tokyo, Japan. Built on a foundation of material sciences mastery, TDK welcomes societal transformation by resolutely remaining at the forefront of technological evolution and deliberately “Attracting Tomorrow.” It was established in 1935 to commercialize ferrite, a key material in electronic and magnetic products. TDK’s comprehensive, innovation driven portfolio features passive components such as ceramic, aluminum electrolytic and film capacitors, as well as magnetics, high-frequency, and piezo and protection devices. The product spectrum also includes sensors and sensor systems such as temperature and pressure, magnetic, and MEMS sensors. In addition, TDK provides power supplies and energy devices, magnetic heads and more. These products are marketed under the product brands TDK, EPCOS, InvenSense, Micronas, Tronics and TDK-Lambda. TDK focuses on demanding markets in the areas of information and communication technology and automotive, industrial and consumer electronics. The company has a network of design and manufacturing locations and sales offices in Asia, Europe, and in North and South America. In the 2023 financial year, TDK posted total sales of USD 16.1 billion and employed about 103,000 people worldwide.
